EDUCATION

University of Maryland, College Park Bachelor of Information Science   May 2022
Minors: General Business, Sustainability Studies
Overall GPA: 3.30   Major GPA: 3.63

WORK EXPERIENCE

Iribe Initiative for Diversity & Inclusion in Computing – *Teaching Ambassador*; College Park, MD   Jan 2020 - Present
- Planned curriculum that includes teaching middle school students CS basics in Scratch, Python, JavaScript, HTML/CSS, and App Inventor.
- Improved lesson slides, guided practices, projects, and activities for virtual computing camps called CompSciConnect.
- Instructed a diverse demographic of 15 middle school students the fundamentals of computing as an outreach liaison through UMD's after school program called Creative Computing.

Ginger Cove Assisted Living – *Mobile UI/UX Designer*; Annapolis, MD   Jun 2020 – Aug 2020
- Researched modern UI/UX trends and compiled findings into reports on a weekly basis for the development.
- Generated user-flow diagrams, wireframes, and low-fidelity mockups to plan for the creation of an interactive prototype for the mobile app for over 350 residents to build memory care.

ACADEMIC PROJECTS

Personal Website   Aug 2020 - Present
- Build a personal website using HTML, CSS, and JavaScript to develop a deeper understanding of UI, UX, and Graphic Design.
- Migrate current kthrnv.weebly.com content to kthrnv.github.io via the creation of custom applications and features.

LEADERSHIP EXPERIENCE AND ACTIVITIES

Vietnamese Student Association, *Sports Chair & Graphic Designer*   Apr 2020 - Present
- Assist president with organizational planning for monthly cultural events
- Contribute at weekly meetings to discuss semester plans and events
- Illustrated executive board t-shirt design, general member merchandise, and stickers

Girl Genius Magazine, *Layout Designer*   Jun 2020 – Aug 2020
- Created 4 design layouts that were utilized in the Girl Genius magazine's table of contents, article templates, final notes, and overall color schema and typography.
- Collaborated with the Director of Layout Designs on a weekly basis to receive feedback during the design process, ensuring adherence to the brand's guidelines and identity for the magazine, empowering girls in Science, Technology, Engineering, Arts, and Math worldwide.

Technica, *Hackathon Participant & Volunteer*   Fall 2019, Fall 2020
